

OHS

CLASS OF 2013

*The Summer Career Discovery Program, an intensive two-week program held at the University of Kentucky College of Design during the summer, is open to high school students who will be juniors and seniors in the fall semester. The program introduces students to the depth, breadth and rigor of design education, including the study of architecture and interior design. For more information about the program and dates please visit: www.uky.edu/Design/SCDP

* The University of Kentucky is offering a Health Researchers Youth Academy this summer. The academy is a two-week health careers residential camp from July 1-July 13th. This is for students who are seriously considering a college major leading to a health profession. See Mrs. Fogle for an application.

*Do you need help with scheduling for next year? Please see Mrs. Fogle in guidance ASAP.

*Advanced Placement Exam registration begins this month. Please sign up in guidance with your \$13 non-refundable registration fee per exam. The last day to order an AP Exam is March 9, 2012.

*Want to get a head start on scholarship opportunities? Go to fastweb.com and search through the options.

*Many of you are asking what you need to be doing now. Visit www.GoHigherKY.org to help get you started.

*Have you been to www.asvabprogram.com to check out the Occu-Find?

*The next ACT will be April 14, 2012. Register by March 9th at www.actstudent.org.
