### BE HERE... DON'T MISS IT STATE ATTENDANCE DAY

Attendance is important each and every day due to the extraordinary learning opportunities provided at Sutton, but Thursday, September 15<sup>th</sup> is an extra special day for attendance because it has been designated as State Attendance Day. On this particular day the school with the best attendance in the entire state of KY will receive a substantial monetary award. We realize that illness cannot be controlled and we certainly do not want children coming to school sick but we would appreciate it if you would avoid scheduling out of school appointments on this day. We will be planning some fun incentives for the children on this day, so mark your calendars and make sure the children are here!
