

Spotlights on Sutton

February 2010

NED Is Coming!

The NED Show is coming to Sutton on Friday, February 5th at 1:15p.m. This assembly combines a great message with yo-yo's, humor and audience participation to teach children how to develop three valuable characteristics involved in becoming champions at school and in life. Please plan to join your child for this uplifting assembly.

Have A "Ball" With Math

Parents are invited to join their children in exploring a variety of math concepts through games revolving around a sports theme Tuesday, February 9th at 6:00p.m. in the school cafeteria. This will be an excellent opportunity to pick up ideas on building strong math skills through fun and challenging activities.

Jumping For A Cause

Second, third and fourth grade students will be participating in a Jump-a-Thon for the American Heart Association during their PE classes February 8th-11th. Our students are eagerly seeking donations to reach their goal of \$3,000.

SCHOOL CLOSINGS

Weather related school closings will be posted as soon as the decision has been made on all local radio and TV stations. We will be listed as **Owensboro City Schools**, not Daviess County Schools.

Happy Birthday!

2/02 Mrs. Hansen
 2/03 Kaylee Hibbs
